BOAT RIDE—Joseph J. McGrath—Grade 2½

Price, 25 cents

## Young Folk's Picture History of Music

By JAMES FRANCIS COOKE

What could be more interesting and instructive to the child student than a picture story of the foundation of music, told in a clear, simple style! This book accomplishes the primary purpose of efficiently paving the way for more intricate studies by picturing the origin, growth and development of music, the lives of great masters, and many other interesting historical points in the realm of music. The child will be especially impressed because he is required to insert the pictures in their proper places.

Price, \$1.00

## Jolly Jingles for Little Fingers

By HELEN L. CRAMM

The obstacles of doubt and lesson dryness are quickly surmounted by the use of this book of seventeen catchy little numbers, designed for the elementary student. Attractive rhythm and tuneful melodies form a combination, which turns problems into pleasure, and lightens the burden of the teacher, while it fosters the interest of the pupil. This collection of gems is heartily recommended for the juvenile pianist.
