CATALOGUE NUMBER TWO.

CHOICE CATALOGUE OF VERY POPULAR MUSIC

Published by OLIVER DITSON & CO., Boston, Mass.

NOTE—All the pieces in the Catalogues numbered 1, 2, 3, and 4, have an established reputation, and consequently any person ordering from these lists will be sure of getting Taking and Popular pieces. Any of the numbers of these Catalogues can be had on application.

ABBREVIATIONS.—Pieces and songs are numbered from 1 to 7, according to difficulty. The easiest pieces, for beginners, like many by Bellini, are marked 1. Common Marches, Quick-steps, Waltzes, &c., are 2. More difficult dance music, like most of tango strains, and such marches as the March from Faust, are 3. Pieces about as difficult as "The Maiden's Prayer" are 4; somewhat more difficult pieces are 5; such ones as Thalberg's "Sweet Home" are 6, and the more difficult pieces of Chopin, Liszt, Thalberg, &c., are 7.

A capital letter marks the key: as, B, C sharp, D \sharp , &c. A small Roman letter marks the highest note (for a vocal piece), if on the staff, but an *italic* letter is used, if the note is above the staff. Ch. means that the song has a Chorus.

Favorite Vocal Music.
