In "BABY CURLS" we are presenting to the public what we consider one of the most beautiful and appealing songs that has ever been published.

"BABY CURLS" is a ballad, a story, a lyrical gem set to a snappy, dancey melody that "gets" you. It is a song that will appeal to everyone. You may not have the real "BABY CURLS" in your home, but you have probably many times longed for the charm of their silken ringlets.

Deep down in your heart, sheltered from the gaze of even your nearest friend, nurtured, cherished, revered, always and forever is the hope that some day you may caress the "BABY CURLS" of a Heaven sent little bundle of sweetness who is blood of your blood, soul of your soul and heart of your heart.
