Ever since Kerry Mills, Originator of the Cake Walk, has been writing his famous Marches, there has been a constant demand from the many admirers of his compositions for a Medley of some sort, whereby they would be enabled to enjoy the most melodious and attractive themes of each. Appreciating this demand, we have had a Set of Lancers arranged, comprising the most popular strains of each of his world-renowned Cake Walk Marches—"Rastus on Parade," "Happy Days in Dixie," "At a Georgia Camp Meeting," "Whistling Rufus," and his latest success, "Impeccunious Davis." These Lancers are perfectly and harmoniously arranged and we consider it one of the choicest numbers in our catalogue.

PEACE FOREVER MARCH

A genuine stirring march has at last become popular, and we take pleasure in announcing the addition to our catalogue of the famous musical publication, "Peace Forever."

The melody of the trio herein given can be heard whistled, sung and played wherever you go, and bids fair to rival in popularity, Kerry Mills famous cake-walk "Impeccunious Davis." Published for every instrumental combination.

WILL MY SOUL PASS THROUGH OLD IRELAND

A song that appeals to every Irish heart, and every heart that is not Irish. The story it tells is full of tender pathos, and the music is equally attractive.

I'VE GOT A WHITE MAN WORKING FOR ME

One of the cleverest compositions by the writer of "Filipino Man," "Get Your Money's Worth," "Living Easy," etc. It is an absolute novelty in darkey ditties with an original melody.

MY PRETTY SUE

The daintiest and prettiest song of its kind ever written. A perfect little gem.
