## Popular 10c Octavos, Solos and Duets

The Rodeheaver Series of popular Solos and Duets is of more than ordinary value. Evangelistic singers use them to good advantage; choir singers find them very gratifying in revival and other special meetings; and many singers desire them in their home music cabinet. The beauty of this series is that, while very effective, there is not one in the lot that is not easy to prepare. Many times the rendition of one of these songs may save the day when something goes wrong with the regular musical program. You may examine any number of the list before paying. The price is 10c per copy, 3 for 25c, 13 for \$1.00, or any 24 numbers for \$1.50 postpaid.

Send for Thematic Booklet illustrating the whole list.
