POM-TIDDLEY-OM-POM!

Words by R. H. DOUGLAS.

Composed by WALTER PASSMORE.

Allegretto.

The musical score is written for piano in 2/4 time, featuring a treble and bass staff. It begins with a key signature of one sharp (F#) and a tempo marking of 'Allegretto.' The first system contains six measures. The second system also contains six measures. The third system contains six measures, with the instruction 'romp till ready.' written above the final two measures. The fourth system contains six measures. The fifth system contains six measures. The sixth system contains six measures. The seventh system contains six measures. The eighth system contains six measures. The ninth system contains six measures. - The Most Beautiful Story Song ever written.
- THE VOLUNTEER ORGANIST**.....*Descriptive* 40
A very pathetic and beautiful story describing a Sunday morning scene in a small village church where the preacher informed the congregation that the organist was ill and unable to perform his customary duties, adding that unless somebody present would volunteer to fill the vacant place he would dispense with the singing of the choir and proceed with his sermon. The scene which followed is described in the song and chorus, "The Volunteer Organist."
- The Parlor, Stage and Ball Room Hit.
- WHEN YOU KNOW THE GIRL YOU LOVE, LOVES YOU**.....*Pathetic* 40
One of the most original of original ideas and a favorite in all parts of the English speaking world because of its simplicity of diction, loveliness of theme and extraordinary sweet melody.
- One of the best Comic Songs ever written.
- OH! MR. AUSTIN**.....*Humorous* 40
A very laughable story of a trip to Boston, Mass., from Saccarappa, Maine, of a rather curious young Miss who was bent upon seeing the sights of the great New England city. (And she saw them, too.)
- You will certainly be pleased, if you ever hear, properly played and sung, the Song entitled:
- SWEET ANTOINETTE**.....*Ballad* 40
It is especially suited to tenor voice, and your portfolio of ballads is incomplete without a copy of this appealing little love song.
- The kind of a Song that pleases everybody.
- OH! WHAT A BEAUTIFUL OCEAN**.....*Mock Ballad* 50
A poetic and musical construction, which shows the ability of its writer to combine pathos with comedy. Four very impressive stories are told in the four verses which are set to an exceptionally catchy waltz melody.
- A Song that will live forever.
- THE CHURCH ACROSS THE WAY—(Nearer, My God to Thee)**.....*Descriptive* 40
A very touching story depicting the last few sad hours of one of life's most unfortunate, erring creatures who passed away on an Easter Sunday morning in solitude and destitution in the humblest of hovel surroundings while the choir of the neighboring church, within hearing distance, was singing "Nearer, My God to Thee." A story taken from life.
- A Soul Stirring Song of Old Glory.
- THE FLAG OF LIBERTY**.....*Patriotic Anthem* 40
Sung and played in many of the leading schools and colleges throughout the United States and highly recommended as a National Song for all occasions given in honor of "The Stars and Stripes."
- One of the biggest Stage and Fireside Hits of the year.
- WHEN YOU ASK A GIRL TO LEAVE A HAPPY HOME**.....*Pathetic* 40
About as cleverly a worded song as there is to be found anywhere. It was written as a companion song to "When You Know the Girl You Love, Loves You," and it is well worthy of its association to that big hit. The melody is in common time and a first-class melody it is.
- The Minstrel First Part Favorite.
- GIVE MY LOVE TO NELLIE**.....*Pathetic Waltz Song* 40
The song with the contagious chorus. Once you hear it, then you know it. A pretty little love story that appeals to everybody and a great favorite everywhere it is sung.
- A Twentieth Century Comic Song.
- SINCE MARY HARRIS WENT TO PARIS**.....*Humorous* 50
A side-splitting tale of a young American girl's trip to "Gay Paree" and the funny blunders she made upon her return home. Featured by many of the best vocal comedians in America and Europe and always an applause winner.
- A Sentimental Masterpiece.
- WHEN LOVE'S SWEET DREAM IS O'ER**.....*Ballad* 40
One of the most beautiful songs in our catalogue. A poem that is worthy of Longfellow's name and a melody that would not discredit Mozart. A decided parlor favorite and popular with the very best concert singers.
- Gray's Newest Semi-Religious Song.
- OLD JIM'S CHRISTMAS HYMN—(Rock of Ages)**.....*Descriptive* 40
Companion song to the world famed hits "The Volunteer Organist" and "The Church Across the Way," and if you will inquire of your music dealer he will no doubt inform you that Wm. B. Gray is the originator and only successful writer of this style of song, and that he has fully sustained his high reputation in "OLD JIM'S CHRISTMAS HYMN."
- The Hit of 'two Continents.
- MAGGIE MAGUIRE**.....*Song with Waltz Refrain* 40
One of the sweetest little songs we know of and a great one for the boys in the galleries of the vaudeville theatres to join in the chorus with the singers. The refrain is so simple and so sweet that it is a very rare occurrence for vaudeville artists to render this song without the little chaps in the gallery joining in the chorus.
- One of the best written Love Songs in print to-day.
- THE MOTHER OF THE GIRL I LOVE**.....*Sentimental* 50
Without doubt the best applause winner issued in many a day. It is almost impossible for anyone to hear this song and not applaud its sentiments, for they are the kind that touch the heart.
- An Inspired Song
- THOSE LOVE-LIT SPARKLING EYES**.....*Love Ballad* 40
Although this composition has not attained the popularity of some of Mr. Gray's other songs, it is frequently referred to as the best song he has written in the ballad line. The poem is of the highest grade and the melody of corresponding merit.

The above named Songs are for sale at all Music Stores, or by the Publishers,
