ABSTRACT DEADLINE:
FEBRUARY 10\textsuperscript{TH} 2016
This early submission date is to allow Elsevier and the conference organizers to have a special edition of the Journal of Fish & Shellfish Immunology available for delegates at the conference, containing accepted abstracts and review papers! Authors will be notified in early March 2016. Oral presenters must register by March 10\textsuperscript{th} 2016.

STUDENT TRAVEL BURSARY APPLICATION DEADLINE:
FEBRUARY 10\textsuperscript{TH} 2016

EARLY REGISTRATION DEADLINE:
MAY 1\textsuperscript{st} 2016

LATE REGISTRATION:
After May 2\textsuperscript{nd} 2016.
It will be possible to register at the conference but to facilitate catering we recommend registration is made in advance.
STUDENT TRAVEL BURSARIES

A SMALL NUMBER OF STUDENT TRAVEL GRANTS ARE AVAILABLE!
Two opportunities for supporting student attendance at the conference are available:

INTERNATIONAL SOCIETY OF FISH & SHELLFISH IMMUNOLOGY
Two travel grants [1000 Euros] will be available from ISFSI to allow MS/MSc or PhD students to attend the Conference.

SPONSOR SUPPORTED BURSARIES
Platinum sponsors of this conference are generously supporting travel grants for MS/MSc or PhD students to attend the conference.

To apply for either opportunity, please complete the STUDENT BURSARY APPLICATION FORM and email it to anne.langston@umit.maine.edu before February 10th, 2016. Successful applicants will be notified by March 10th, 2016.
